ESE PROGRAM

EXPANDED SUBSIDIZED EMPLOYMENT PROGRAM

Wage Subsidy Program

The Madera County Department of Social Services is currently recruiting public and private agencies in Madera County to participate in the CalWorks Employment Program (ESE). The Madera County Department of Social Services has launched a new subsidized employment program. This program reimburses employers for the wages of newly hired employees from our program at varying levels during the first six months of employment. Once our agency signs a completed application with interested employers, after a successful applicant match, the wage subsidy program can commence as follows:

Under this agreement, the Madera County Department of Social Services (DSS) will reimburse Employer for wages paid to eligible and approved Employees as described below. a. DSS will reimburse employer:

- 100% of wages paid for 1st & 2nd month.
- 50% of wages paid for the 3rd & 4th month.
- 25% of wages paid for the 5th & 6th month.

Note: DSS will reimburse wages ONLY up to \$25 an hour. Wages paid in excess of \$25 an hour are the sole responsibility of the employer.

Employer is expected to retain Employee(s) as a fully unsubsidized employee(s) once the reimbursement period ends.

Employees MUST work a minimum of 20 hours a week to be eligible for reimbursement.

Required Documents:

- Completed ESE Application
- Worker's Compensation (*Proof of liability insurance and worker's compensation*).
- Complete W9 Form

The Madera County Department of Social Services Office extends to you an opportunity to assist in opening doors towards success. If, after review, you or your organization is interested in learning more or have questions on the above program, Madera County Department of Social Services ESE staff can be reached *at (559) 395-0826 for Nancy Pineda.*
